

The broadcast  
airways do not  
belong to  
broadcasters but  
rather to the  
citizens of the US.

Sinclair  
Broadcasting's  
decision to required  
their stations to  
broadcast a  
blatantly political  
program as we near a  
presidential  
election flagrantly  
flouts this  
principle. It is  
profoundly  
undemocratic.

Actions such as this  
should result in  
cancellation of  
their license to  
broadcast.
